MODELLING CAREER

Aneta Mlcakova
TRAVEL & LUXURY

I started my modelling career at a young age in the Czech Republic, and it truly blossomed after I moved to Lugano, Switzerland. I began working with brands like Guess, Marciano, Oh Polly, Honey Birdette, and many others, participating in various campaigns and fashion shows. Additionally, I have graced the covers of international magazines such as L'Officiel. I have also attended international red carpets, including the Venice Film Festival and the Cannes Film Festival. My modelling career continues alongside my work as a travel blogger.
